Obituary Overview

In Loving Memory

It is with heavy hearts that we announce the passing of Grzegorz (Greg) Pieprzycki, 57, on September 16th 2023, in Toronto, ON. A remarkable man whose journey was marked by both challenges and his wonderful qualities and big heart that made him truly exceptional.

Born on March 10th 1966, to Jacek and Jozefa, in Jelenia Góra, Poland, Grzegorz (Greg) was a man of many talents and passions. Survived by his loving wife, Barbara, his daughter, Martina, his two sons, Martin and Daniel, his sister Joanna, and his brother Marek. From an early age, he shared a special bond with his father, building a radio together, a memory that would become a testament to his lifelong love for tinkering and fixing things.

Greg had a deep love for fishing, finding peace by the water's edge and the thrill of the catch. It was in these moments that he connected with the beauty of nature and the tranquillity it brought him.

Greg was a compassionate and giving soul. He had a strong desire to help others, offering his skills and expertise in fixing just about anything to anyone in need. His willingness to lend a hand and share his knowledge left a huge mark on those lucky enough to know him. Greg will be remembered for the warmth of his smile, the kindness in his heart, and the joy he found in his passions. He was, at his core, an amazing person who touched the lives of many.

In honour of Greg, a visitation and funeral service will be held at Scott Funeral Home Mississauga Chapel, at 420 Dundas Street East, Mississauga, ON L5A 1X5, on Saturday September 23rd. The viewing is from 9am-12pm, and the funeral service will begin at 12pm.

As we remember Greg, let us cherish the memories of his love for fishing, his talent for fixing things, and the generosity he extended to those around him. He may have battled demons, but he remains in our hearts as an extraordinary person who brought light and love into our lives.
